Urgent Need for Altar Servers

Our tradition has always been to have our young people serve at the altar during Mass. The parish has 4 weekend Masses and there should be 2 servers at each. So the youngsters aren't overburdened, we should have at least 20 servers. We only have 5 hardened veterans. We are looking for new altar servers to start off this year strong. We hope parents will encourage their children to step forward and we hope our youngsters will be willing to live their faith through service. We're hoping for an enthusiastic response and training will be provided!

"Increase our faith." These words from this week's Gospel come directly from those who spent the most time with Christ, the Apostles. If they need to have more faith, so too must we! We must have faith through times of hardship, but also in times of great joy and triumph. It is easy to pray and to have faith when we need something from the Lord, but oftentimes much harder when everything seems to be going our way. It is through an increase in faith and prayer that we will draw closer to Christ, and better understand and accept the gift of life that He has given us! In this month of the Rosary, let us seek to pray more and increase our faith in all that we do. Join us for Mass on Sunday's and weekdays, volunteer for the youth ministry program, help us at the upcoming Fair, assist with middle school religious ed. Most importantly, continue to live a life rooted in Jesus Christ and truly be a person of deep prayer. Please pray for me and for all catechists and helpers as we move ahead with this new year! May God bless you this week! - Brian Kirby
